### TRIBUTE TO ROOSEVELT

Dr. Capen said:

"We are in great anxiety over the fate of Miss Ellen Stone, so greatly beloved, who is to-day in the hands of the bandits with the sentence of death hanging over her. It is a comfort in our tears to know that our government is doing everything that is possible to save her for her rescue."

Last Saturday Secretary Smith, of this board, and myself met President Roosevelt and Assistant Secretary Adee in conference on this matter. The President has made this his own cause, and he has ordered a member of his own family he could hardly put more heart or more energy into it.

Every power of diplomacy is being used for her rescue. We must thank God that when President McKinley fell there is in President Roosevelt another man of God who will see that McKinley's missionaries, under the flag of the United States, shall have the fullest protection. It may be necessary that a ransom shall be paid, but that will not cloud the mission, and it will be the beginning of the chapter."

The report of the prudential committee, made department of the treasury, secretary, Rev. C. H. Daniels, D. D., of Boston, Ind. stated that during the last year seven members of the board have been elected, twenty-three new missionaries have been sent to the foreign field—seven men, two of whom are physicians, six women, and twenty-two single women, and that sixty-two missionaries have returned from the field.

Two business men of New York have pledged \$500 to the American Board of Commissioners for Foreign Missions. Another person has pledged enough for a school building, if the board should decide to establish a mission in the Philippines. The total receipts of the middle States districts, \$29,001, a shrinkage of \$879. The raising of about \$2,000 for Christian education within the bounds of the middle States districts, chiefly in Connecticut and New York, and large sums for other worthy objects, is said to explain the shrinkage. The general donations from individual churches and various societies were \$69,727, from last year of \$7,238. The contributions from the district of New York, which has increased over the previous year \$7,789. There has been a large fluctuation in the receipts of the middle States districts, less than the previous year by \$30,000. The income from the permanent funds shows an increase of \$10,000 over the previous year. The report of the treasurer, F. H. Wiggin, of Boston, includes the following figures: Cost of missions, \$68,862; cost of original cost of publications, \$11,281; cost of administration, \$10,000; total, \$89,143. Sept. 1, 1901, \$82,631; total, \$79,712; receipts, \$87,590; balance of debt Aug. 31, 1901, \$102,712.

There were but two matters of interest to tonight's session of the American board, the report on the annual meeting of the board in relation to its action in the case of Miss Stone, and the report of the mission of the board in the case of the American board of Commissioners for Foreign Missions.

FLINT, Mich., Oct. 8.—Over 100 delegates to the thirty-third annual meeting of the Northwestern branch of the Women's Foreign Missionary Society of Michigan, Wisconsin, Indiana and Illinois assembled here tonight in the city hall.

To-morrow the new permanent headquarters of the society will be opened at La Paz, capital of Bolivia, to discuss the issue as well as other questions.

**Bolivia Covets a Mine.**

LIMA, Peru, Oct. 8.—It is asserted here on reliable authority that the greed of Bolivia has been excited by the wealth of the American organization. The Bolivians desire, which the mines are on Bolivian territory, which they claim extends into the Amazon river. The government of Peru is determined to oppose this contention.

To-morrow the new permanent headquarters of the society will be opened at La Paz, capital of Bolivia, to discuss the issue as well as other questions.

## PETER STIRLING WON

CAPTURED THE KENTUCKY FUTURE, VALUED AT \$16,000.

Dan Patch Winner of the Tennessee, the 20th Pace, with Shadow Chimes Second.

EVENTS AT PORT WAYNE

Matron Stakes, Worth \$20,000, Taken by Clarence H. Mackay's Hero at Morris Park.

Lexington, Ky., Oct. 8.—The three opening events of the ten-day's meeting of the Kentucky Trotting Association here were in straight heats, though each was hard fought to the wire. In the Kentucky Futurity, valued at \$16,000, Walnut Hall, the favorite, could do no better than lap with Peter Stirling around the circle and finish half a length behind. Peter Stirling was forced to do his best in each heat, Hawthorne succeeding to second place in the third, when Walnut Hall broke in the stretch and making the clip home furious. The start was exceptionally good, and at all stages the contest was beautiful, the leaders being abreast much of the time.

Dan Patch was favorite in the Tennessee, 20th pace, and was never in danger, though Shadow Chimes pressed him at the wire. Confessor and Waubun pushed Capor for three heats in 2:09. Confessor finished short a nose in the second and a head in the third. Waubun was a strong tip till the finish of the last heat, and much money was placed accordingly. Five thousand people were present. Summary:

The Tennessee, 20th pace; purse, \$1,000:
